

## VERIFICATION OF SWITCH CERTIFICATIONS

UNDERWRITERS LABORATORIES, INC.

Go To <https://iq.ulprospector.com/info/>

**You need to create your own profile and log in.**

Search for the C&K UL file number E42363

Click on "WOYR2.E42363" for US & international recognitions

Click on "WOYR8.E42363" for recognitions to Canadian standards

There will be 2 alpha numeric listings of C&K UL recognitions

The first listing is for those products evaluated to the requirements of UL 61058-1

The second listing is for those products evaluated to the requirements of UL 1054

A product may appear in one or both listings

For Conditions of Acceptability (general and special)

Click on "See General Information for Switches, Appliance and Special Use-Components"

**MIL-DTL-83731**

Google search for "DLA QPL"

Click on "QML/QPL – DLA land and maritime"

<https://landandmaritimeapps.dla.mil/Programs/QmlQpl/QPLdetail.aspx?qpl=19207>

At the top of the page click on "QML/QPL listings"

In the left column find "MIL-DTL-83731" and click on it

Click on the top entry under "Historical Qualification Information" newest file.

Find "C&K Components" in the listing
